Blank graph: percent, 30 sessions

The standard ABA line graph for percent data, ready to fill in.

1. One dot per session. Connect the dots within a phase.
2. At a change in the plan, draw a dashed vertical line and name the new phase above it.
3. Never connect dots across a phase line. Draw your mastery line dotted, across.
4. Read it: level, trend and bounce.

Learner (initials or a code) _____ Target _____ Mastery line (%) _____
