Training log: caregivers and staff

Record each skill you teach an adult with the four steps, and how well they did it.

1. One row per skill per session.
2. Tick each of the four steps you did: tell, show, practice, feedback.
3. Fidelity = steps they did right ÷ all steps × 100, from your checklist.
4. Next step: what they practice before you meet again.

Trainer _____ Person trained (initials) _____ Role _____

The grey row is a made-up example.

Date	Skill	Tell	Show	Practice	Feedback	Fidelity	Next step
